

CRÉATION BAUMANN | PRIVATE

Sparkling Droplets, Küsnacht, Switzerland

Architects:
Marty Architektur, Schwyz

Initial situation:
The top-to-bottom and end-to-end glass facade of this luxurious residence also spans both fronts, providing a panoramic view but not allowing for much privacy.

Solution:
Gecko combines functionality with esthetics. Without having to take any constructional measures, Gecko is able to ensure privacy and fits into the overall facade optimally.

Products:
Gecko Crypta
