VERSATILE  
FUNCTIONALITY

Zeughaus Kultur, Brig-Glis, Switzerland

Architects:  
[dreipunkt] ag, Brig  
Interior architects:  
Atelier off off, Brig

Initial situation:  
For decades, this armory in Brig-Glis served the Swiss army as a gathering, work and meeting place. In the future, the same building is to serve the same purposes – but in the field of culture.

Solution:  
With regard to the choice of curtains, importance was to be placed on versatile use. The fabrics chosen dim, are sound-absorbing and also serve as partitions, allowing artists and visitors to use the premises for various different purposes.

Product:  
Dimmer, Umbria
