

CRÉATION BAUMANN | PRIVATE

Fotografie: Dieter Zobel, Rietberg

ON-THE-SPOT DECORATION

inova at the BAU trade fair, Munich, Germany

Architects:
Beate Descher, Frankfurt

Initial situation:
International trade fair for architecture, materials, and systems in Munich.

Solution:
Company presentation at the trade fair „inova“ living, office, object at the „BAU“ trade fair: example of the decorative contribution and privacy assurance ensured by means of Gecko Crypta Orbit on the double-winged glass sliding doors in the living area. Because Gecko Crypta Orbit was fixed on both sides, Gecko works as a room-defining element and is no longer transparent.

Products:
Gecko Crypta Orbit
